

AWESOME PRAYERS (DUA) FOR AN AWESOME YEAR

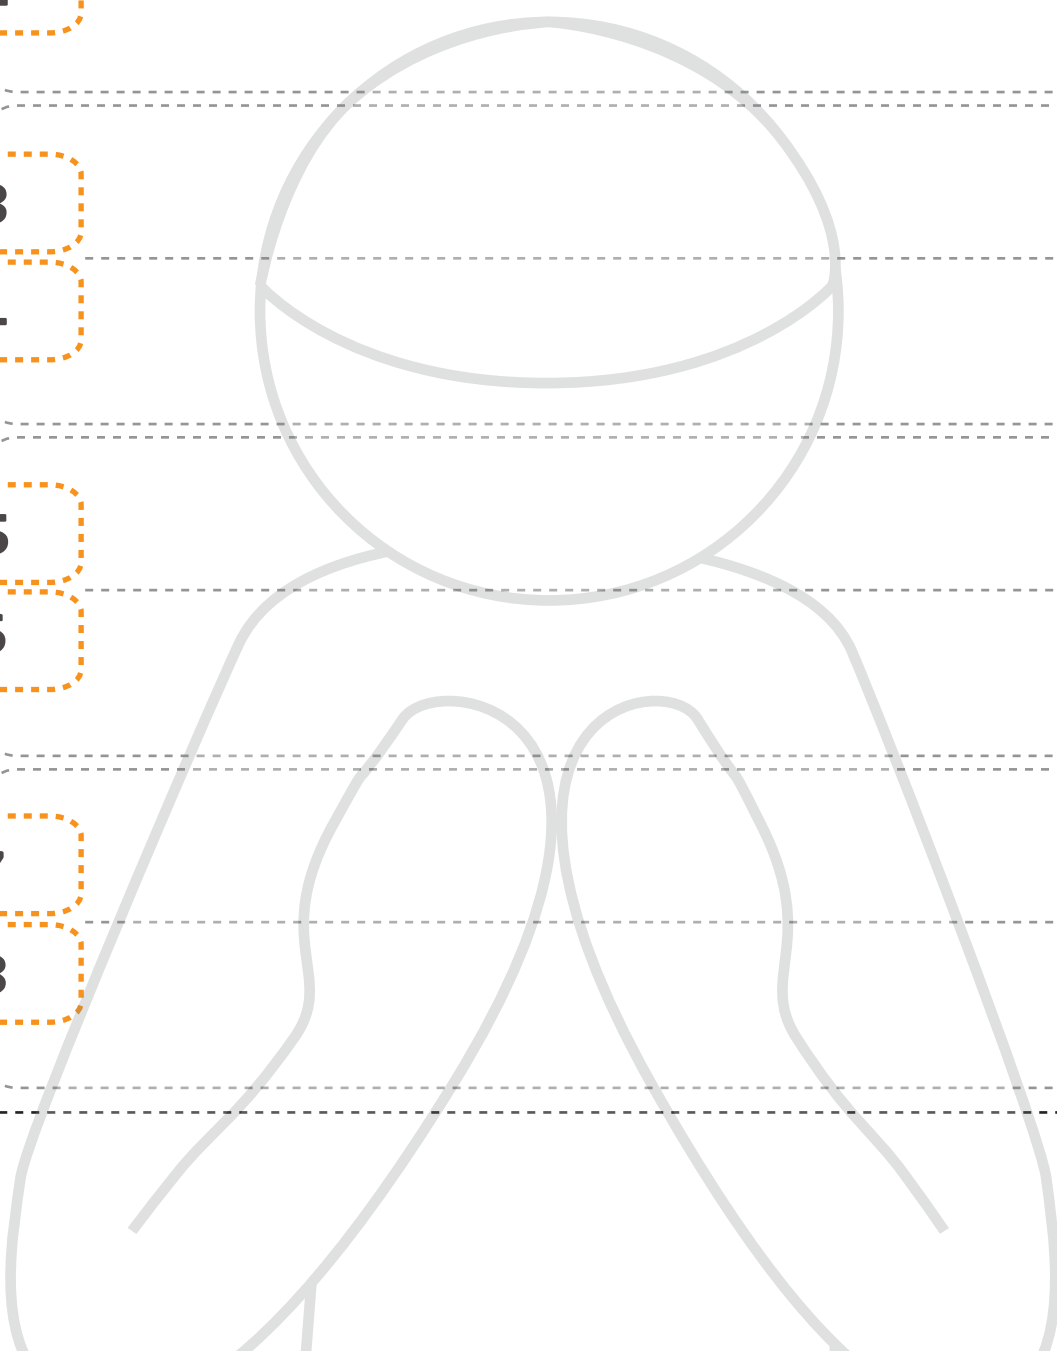

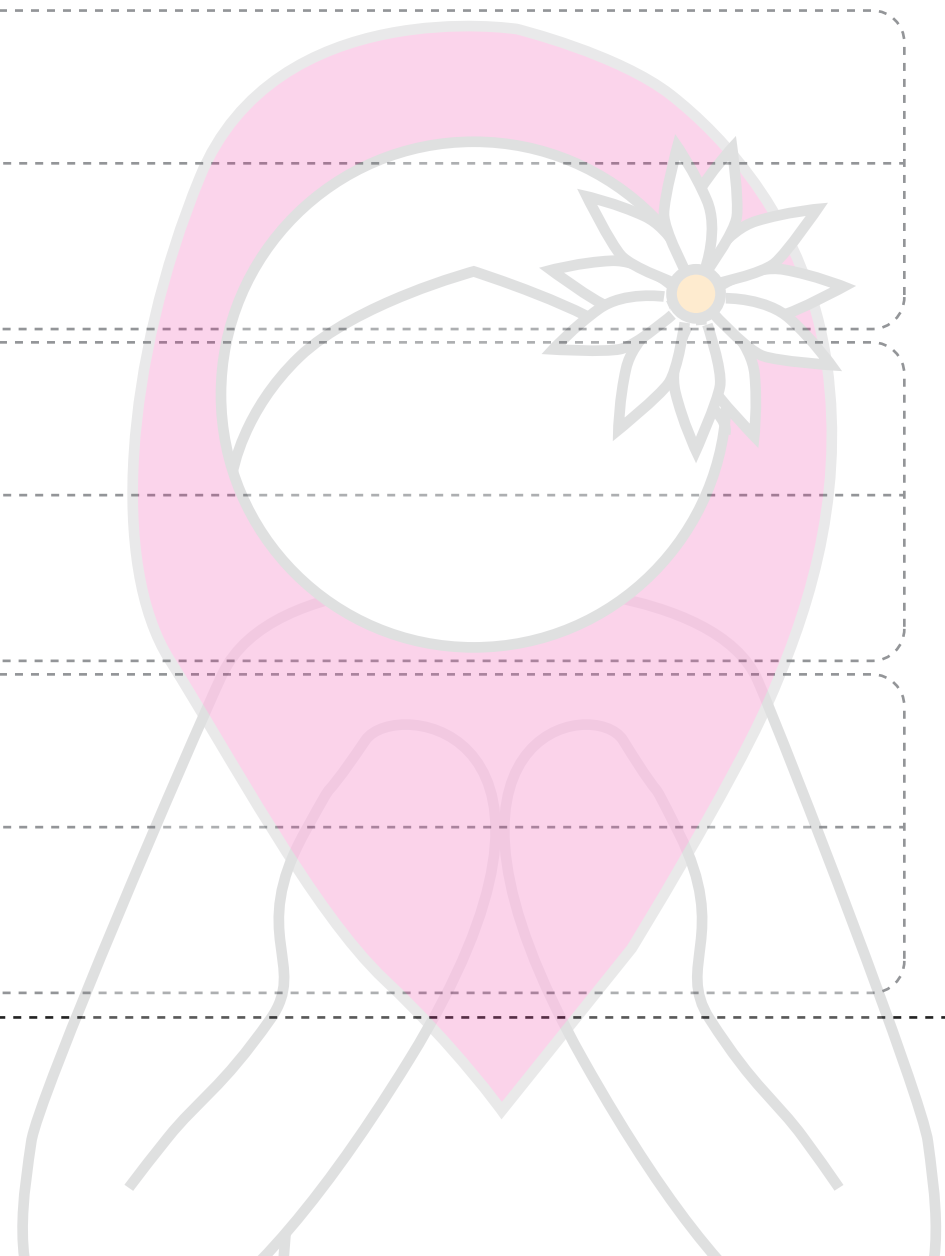

this Ramadan will be awesome!

PRODUCTIVE RAMADAN

How to use this worksheet

The purpose of this worksheet is to come up with 8 duas to focus on during Ramadan (2 from each category below). Then, list your final Ramadan goals below and print your completed worksheet for reference and remembrance of your goals and duas at all times.

FINAL GOALS

Have a list of goals you want to achieve this Ramadan, even if they are small. These will help when writing your daily targets on the Ramadan Planner.

Examples

- Read half of the English Quran translation
- Attend the Mosque regularly
- Give more in charity
- Memorise 2 supplications
- Read 1 Islamic book
- Improve my character
- Improve my connection with Allah
- Improve my relationship with parents

DUA LIST

Before Ramadan begins, make a list of duas for everything you desire. This can be as long or short as you like. Remember: it is not the length of your dua that matters, but rather the meaning and intentions behind it that are of importance.

Examples for 4 categories:

DEEN

- Perform Hajj or Umrah
- Learn Arabic
- Recite Quran correctly

DUNYA

- Get married
- Get a particular job/house/car
- Overcome health issue

AKHIRA (AFTERLIFE)

- Highest part of Paradise
- Speak to Allah
- Meet the Prophet (peace be upon him)

OTHERS

- Ease suffering of others
- Children, parents, siblings, friends.
- Guide non-Muslim family or to Islam

With so much to pray for, how do you possibly select only two duas per category? Again, try to make your list as simple and comprehensive as possible. And remember, you can always make more duas outside this list!
